The purpose of the International Energy STAR® Program is to promote the development and popularization of energy-efficient office equipment.

As an Energy STAR® Partner, Sagem has determined that this product meets the Energy STAR® guidelines for energy efficiency.

SAGEM AND THE ENVIRONMENT
THE CARTRIDGES ARE RECYCLABLE TO PROTECT THE ENVIRONMENT

Sagem has a program for collecting used cartridges, with prepaid envelopes that can be used to send cartridges to a recycling centre. (Availability dependant on country).

For more information, please check inside the consumables packaging.

NO-STRESS OFFICE BY SAGEM

SAGEM COMMUNICATION obtained the ISO 9001 certification which attests that a quality assurance system based on international recognised standard is applied to the design and the manufacture of the above products.
